NZRC affiliation fees are now due. It was agreed that we will pay these once members have renewed their membership so we have an accurate idea of how many members we have this year.

**GROUNDS:**

- It was approved that Nicky can purchase a new combination lock for the green shed.
- A neighbor has dug the ditch along the back fence and uncovered 3 discharges. Nicky has spoken to Conrad at the UHCC and he advised they may excavate the rest of the ditch for us (since done).
- Nicky has built some bridges over the ditches.
- It was agreed to appoint a "shed person" at the AGM to look after the tidiness etc of the shed.
- It was agreed to apply to Pelorus Trust later in the year for the shed lean to and alterations.
- Nicky suggested we have a working bee to clean and tidy up the jump pole area - agreed to hold this at 11am on the 29<sup>th</sup> May before the AGM.
- It was noticed that we have a couple of UHPC jump planks - Paula to return these before the beginning of next season.

**WINTER DRESSAGE SERIES:**

- The programme was agreed on. Paula to send out to members.
- Entries close 10<sup>th</sup> June for the whole series.
- Bjorke agreed to contact judges - suggestions Liz Hutson, Jacqui Thompson, Val Tester, Phillippa Sim, Julie Patterson.
- It was suggested to hold the overall prize giving for champion during the lunch break on the final day (for those classes finished), then at the end for the other 2 classes, to save people hanging around all day.

**LESSONS:**

- Shona to check whether Stephen is available for more lessons on either the 6<sup>th</sup> or 11<sup>th</sup> June.
- To contact Gary to arrange some more jumping lessons over winter.
